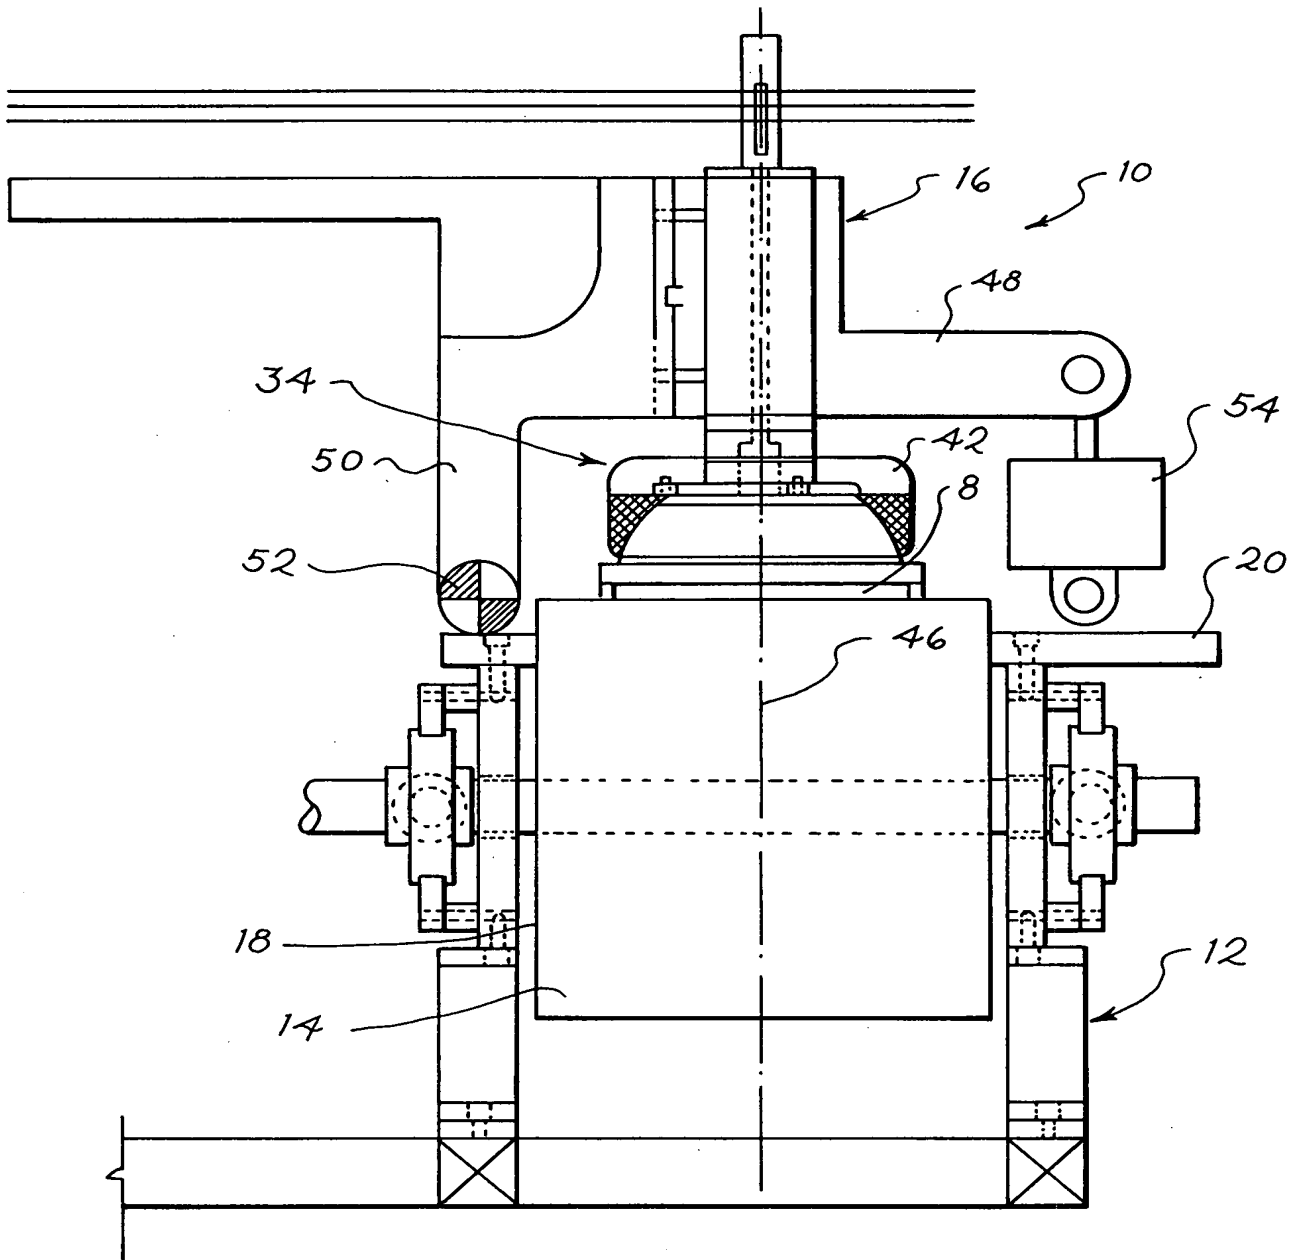

Fig. 2

Fig. 3

Fig. 3 is a schematic diagram of a mechanical assembly in cross-section. The assembly includes a central body 10 with a circular feature 34. This body is mounted on a base 14. The base has four vertical support structures: 12 on the left, 16 on the right, 18 on the far left, and 22 on the far right. Each support structure includes a vertical rod 24 and a horizontal plate 26. A curved arrow indicates rotation around the central axis A. Dashed lines show internal features and alignment.
